

Smartsign Startup.

Invest in our Startup packages to ensure you get the most out of your solution. We get your signage solution from A to B, with your communication needs in focus.

With **Smartsign Startup**, you get a customized training that is adapted to your needs, so that you can get the most out of Smartsign and find an efficient workflow.

Smartsign Startup Plus gives you a complete experience. In addition to the training we will also create a custom layout and template that suits both your needs and graphic profile.

1. Needs analysis

- Target group, communication goals and current situation.

2. Set-up

- Single users and groups

3. Customized training

- Administration
- Content management
- Publishing

INCLUDED IN STARTUP PLUS:

4. Layout

Take your screens to the next level with a custom layout and template.

The layout is based on your graphic profile, needs analysis and our long experience of signage.
